Merriam Webster s online dictionary defines love as an unselfish, loyal and benevolent concern for the good of another: as (1): the fatherly concern of God for humankind (2): brotherly concern for others b: a person s adoration of God. Love Letters; Paul s Epistles and Ministry to the Early Church is the epitome of this type of love. For Paul s letters to the early church illuminated his love for God manifested in the life, death and resurrection of Jesus Christ as well as his true affection for the Jews and Gentiles who were establishing the early Bodies of Christ-the church. This book chronicles the Apostle Paul s missionary journeys through the Roman Empire teaching and preaching the Gospel of Jesus Christ to both Jewish Christians and Gentiles. The epistles, letters, written to the early churches served several purposes. They contained heartfelt greetings, praise, thanksgiving, words of encouragement, and when necessary, chastisements. But more importantly, the Love Letters conveyed the unconditional love of Jesus Christ for the believer. The epistles to the early churches also helped to form doctrine, church order, conduct and traditions plus accepted leadership qualities along with responsibilities. The tone of the letters was infused with Paul s genuine benevolent concern for and loyalty to the early Christians establishing churches in a hostile environment. Love Letters; Paul s Epistles and Ministry to the Early Church while serving as an examination of the early church and its formation, it also can be a template for the church today as it meets the challenges of the contemporary world.
