I just thought it would become a law, and that everybody would abide by it and that we wouldn t hear any more of evolution in Tennessee. - John Washington Butler In the early 20th century, Darwin s theory of evolution was still a relative novelty, but it had spurred some Americans to react by preventing it from being taught in schools, including in Tennessee, which passed the Butler Act to prohibit teaching the theory in a state-funded school. This set the stage for proponents of the theory to challenge the law by having a teacher bring up Darwin s theory in a classroom, which is how a little known substitute teacher named John Scopes had his name attached to one of the most famous cases in American history. Although it is best known as the Scopes Trial or Scopes Monkey Trial even 90 years later, the case was intentionally created as a test case, and from the beginning it was meant to draw attention not just to the issue but to the small town of Dayton, Tennessee itself. In that, it succeeded, not simply because the case was important but because it brought William Jennings Bryan, one of America s most famous politicians, to participate. Bryan would square off against renowned lawyer Clarence Darrow, who would represent Scopes in the proceedings. While the case was technically challenging a law and proceeded like a normal trial, including an appeal to Tennessee s...
