Dimensions: 10.9in. x 8.3in. x 0.6in.In this, the follow-up to the best-selling Philosophy for Kids, Dr. David White delves deeper into the philosophical questions kids (and adults) care about deeply. The book is divided into three sections. Part 1 presents primary source readings that will encourage discussion and debate; Part 2 offers easy-to-use activities that focus on the direct application of philosophy to areas such as critical thinking, language, and the arts; and Part 3 offers a unique perspective just for teachersa philosophical look at how teachers can become more reflective philosophers themselves.
