Hidden History of the Wisconsin Dells Area (Paperback)

By Ross Milo Curry

History Press (SC), United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The history of the Wisconsin Dells area is as unique as its glacier-sculpted landscape. It has been a gathering place for tribal councils, a vacation spot for enthralled tourists and a stopping point for the raftsmen who might have had a little too much of the Devil s Eyewater brewed by pioneer Robert Allen. Local expert Ross M. Curry has been chronicling the region, from Baraboo to Lyndon, for almost sixty years. Join him for those chapters of the area s story that he himself has witnessed, and then follow him as he hikes back to a time before the Kilbourn Dam, when towns were lit by gaslight, justice might be enforced by duels or necktie parties and hardships had to be outlasted by tightknit families with unshakable faith and their own butter churns.

Reviews

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

-- ***Prof. Vanessa Smitham V***

This ebook will be worth acquiring. It is actually writter in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
