John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Investment University's Profit from China, Investment U, Alexander L. Green, Horacio Marquez, Louis Bass, Mark Whistler, Profit from the record growth of one of the hottest markets in the world China's economy keeps on revving at record-breaking speed-turning its factories and 1.3 billion people into bottomless pits of consumption. For investors, this is nothing short of the opportunity of a lifetime. Those who are first to recognize the prime movers and building blocks of this enormous growth will surely take the lion's share of the profits. That's exactly why Investment U has created this special, time-sensitive report. Investment U's Profit from China will show you precisely how and where to take advantage of the raging Chinese economy. It includes four investment recommendations so closely tied to this record growth that you'll want to add them to your portfolio immediately. But Investment U's Profit from China doesn't stop there: it will also introduce you to an exclusive "can't-miss" strategy for making sure that you get out of these investments with profits intact. Investors may never again have a chance at a windfall like the one offered by the booming Chinese economy. But, with this report from Investment U as your guide, you'll learn exactly how to take advantage of such an opportunity.
