This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dimensions: 8.0in. x 5.0in. x 0.3in.Suzie Jimenez is a high school history teacher whos always taught her students to push back against systems of oppression. In Texas, this kind of rabble-rousing doesnt sit well with the status quo, but since the biggest dilemma her students face is whether to eat beef or veggie burgers, shes been lucky so far. Flying under the radar with her alternative curriculum, Suzie teaches her students about non-violent protests, peaceful rebellion and freedom fighters who employed these methods. But all of that is about to come to an end, thanks to Governor Nick Harry. Like the rest of her fellow teachers at Rebel Yell High School, Suzie gets the memo that theyve all been unceremoniously laid off the week before classes are set to resume for the fall. The Governor has declared war on teachers with his recent round of budget cuts to Texas public schools, effectively cutting their jobs from the register and leaving students in the lurch. With her political ideals on her sleeve, Suzie strikes back at the Governor with everything shes got. But this time, its personal. Joining a rebel band of ninjas in their quest to fight the power, Suzie quickly discovers shes in over her head. Not only does Governor Harry have a secret weapon, but hes also employed a ship full of pirates to protect him as he launches a campaign for the Presidency! Suzie and the ninjas have to act fast to prevent another Texan from taking the White House, but in the ultimate battle of good versus evil, its every ninja for himself. Can one woman beat the system, or will Suzie be consigned to the dustbin of state...
