Brand New Book ***** Print on Demand *****.Excerpt from A History of the Clan Maclean From Its First Settlement at Castle, in the Isle of Mull, to the Present Period: Including a Genealogical Account of Some of the Principal, Tog Families Together With Their Heraldry, Legends, Superstitions, Etc This record is largely confined to the events that occurred during the growth and decadence of the clan. There are many questions just as important and interesting as historical events that are intimately connected with the family, and which should be particularly set forth. The origin of the race, its migrations, manners, customs, and many other characteristics must be of intrinsic value. Whoever studies or desires to become acquainted with his ancestry never tires of prying into all the various related subjects. The very nature of them demands a separate treatise, and as they are necessarily extensive, a volume must be required for their consideration. In order to set forth fully these related subjects, I have collected the material, and at an early day I hope to he able to give it to the reading public; however treating it in a more general than special manner. In the preparation of this work, for a basis I have relied on the Account of the Clan MacLean, published in 1838, and the Pennycross and Ardgour MSS, frequently using the exact language used by their compilers. Donald Gregory s History of the Western Highlands has been of great assistance, and deserves to be specially mentioned; for it would be difficult to write concerning the West Highland clans without recourse to this invaluable publication. I have not depended upon such material as may be found in printed volumes, but present...
