These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

1938 Publishing Company, 1938. Paperback. Book Condition: New. Paperback. 156 pages. Dimensions: 8.5in. x 5.5in. x 0.4in.156 pages. OVER TWO DOZEN PHOTOS from Helens scrapbook! The narrative is taken from her two trip diaries. Readers tell me that they felt like they were right there with her! This wonderful storymemoir READS like a NOVEL, with the romance, and the challenges, and the fun, but it all really happened and this is what makes it so fascinating and historical! The book is written in diary format. The entries for September include a historical timeline to help the reader understand what was going on in Europe, leading up to the Munich Conference which took place the day she was to leave. Helens two month dream vacation (by rail through nine countries) is peppered with many unexpected events. Attending a Hitler Rally is NOT on her itinerary, but when a handsome Austrian soldier presents her with a ticket and he guides her to a waiting taxi . . . . . whats a girl to do This is a true story captured from the pages of Helens two trip diaries! The setting is 1938 Europe during the unstable prelude to WWII. Adolph Hitler has annexed Austria and is demanding a portion of Czechoslovakia or he will start a war. She experiences a blackout night in Austria and finds herself in the midst of absolute chaos in Paris because the Munich Conference is in progress. She is by far not the only one who is crowded on a tender, trying to get to the RMS Queen Mary that is sailing to New York, but the ocean liner is standing off shore, far from the dock!! I have not found an eye-witness account of this day in Paris, anywhere else! Readers of this book...
