By Helen Abbott Michael

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies in Plant and Organic Chemistry and Literary Papers The are of Helen Abbott Michael s life swept through several fields of human activity, in each of which she showed remarkable ability and achieved unusual success. Versatility, how ever brilliant, is often a dangerous gift, leading to a scattering of energies and to practical failure; but she had great power of concentration, and realized, as few have, the necessity of systematic application. She was not led by her manifold talents into desultory or spasmodic expenditure of energy, but having deliberately chosen a path which seemed to offer her opportunities of usefulness, she was not content to abandon it until she had followed it to a profitable ending. Nor, even after she had proceeded to another department of work, did she lose her interest in that from which she had passed. She assimilated all that was best in every branch of knowledge that she took up, and her symmetrically developed character proved that her attainments were not made for selfish ends. Her altruism was ever apparent....
