Guernica Editions,Canada, Canada, 2014. Paperback. Book Condition: New. 196 x 122 mm. Language: English . Brand New Book. Anticipation and awareness bud at the start of a new life and bloom with the wondrous changes that ensue. These lyrical narrative poems rejoice at the insights, emotions, and development of a newborn and her family over a brief period of years. Crafted with an artist s eye and poet s appreciation for the profound that nestles within the mundane, this collection shimmers with reverence and clarity. The trajectory of the poems shudders and shifts when the young girl s father falls ill. With unflinching honesty and compassion, Nudelman gently unwraps luminous, triumphant moments in life s circle of birth, growth, and mortality.
