A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Summary: Financial executive Susan Hettinger and wild, impulsive rock star MJ Carson couldn't be more different if they triedbut opposites attract in ways neither can resist. Rock star Maggie "MJ" Carson has heard a thousand I-Love-You's. People always want something for nothing from her, and she long ago decided it was better to use than be used. On a plane trip from hell, she's seated next to an attractive woman and turns on her irresistible charm, expecting the usual weak-kneed compliance. But Susan doesn't know who her sexy fellow traveler is and loses all interest once she finds out. The heat between them is instant, yet Susan can think of countless reasons to ignore the spark of attraction. She knows she should walk away, but when Maggie ends up stranded without her wallet and ID, she offers to help. Completely incompatible, they still can't resist the magic that draws them together. Can they find a place between the glare of the media spotlight and the legacy of past betrayals where trust can grow and love might have a chance?.
