The Journey of Existing Churches into the Emerging Culture In our fast-growing post-Christian, postmodern culture, the church often finds itself marginalized and ineffective in mission. The new emerging church is both hopeful and frightening compared to more traditional forms of Christianity. However, these 'two churches' need each other. The Church in Transition presents honest stories of the failures and successes of a variety of transitioning fellowships.

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
