H63 2008s OCLC Number: (OCoLC)613215318 Subject: Emergency management -- United States -- Evaluation. Excerpt: . . . 11 me highlight just two of those that are illustrative of how FEMA is not only using this report as an additional learning opportunity, but also an example of how FEMA in many ways is already ahead of the curve. The IG recommends we assess where we are and where we need to be in terms of preparedness for a catastrophic disaster, and we have been doing this since I joined FEMA more than 2 years ago. Last year, we asked independent experts to conduct assessments in 17 key areas and then use the results to develop our new strategic plan and our vision statement on preparedness. In addition, FEMA has been the subject of dozens of engage-ments, studies, and reports by outside entities, including the IG, the Government Accountability Office (GAO), and Congress. The Post-Katrina Emergency Management Reform Act specified more than 250 actions for FEMA. There are more than 100 open rec-ommendations from the GAO and more than 600 from the...
