Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Five Missionary Minutes Sufficient missionary material has been collected in this volume for fifty-two Sundays in the year. It is arranged for use in the Sunday-school from the desk, either directly in connection with Scripture, prayer, and hymns, or otherwise during the opening or closing periods. It has been prepared for what is often termed the Main School, that is, for grades above the Primary. Much of it can be adapted, however, to the needs of any particular grade. All of the items are brief, requiring not more than three to five minutes a Sunday for presentation. Unity of theme for the entire year has not been attempted. It is not desirable in a single year to use a greater variety of topics than is here presented. It is hoped that a later volume will give, in addition to some of the features of the present one, such additional topics as Map Drills, Stories, Impersonations, and similar material. The subject-matter in this volume is arranged for use in schools that have either the Uniform or Graded Sunday School Lessons.
