Deep Water (Paperback)

By Pamela Freeman

Little, Brown Book Group, United Kingdom, 2008. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. As unrest stirs across the Eleven domains, subversive questions lead to unexpected answers. And ghosts of the dead walk in increasing numbers - for those few that can see. In a land where stonecasters foretell destinies for a fee and gods talk to those who can listen, the future is uncertain and is built on a bloodsoaked past. So what did happen one thousand years ago, when Acton s people came across the mountains? Was Acton himself a hero and liberator, or a bloodthirsty invader and scourge of the travelling people? Wild magic gives Bramble some dangerous insights into a land s disturbed history. And why did Ash s Traveller father not teach him the secret songs of his people? The ultimate answers to all these questions are hidden in time, where perhaps they should stay.
