Paddles and Water (Paperback)

By James Nugent

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I climbed into my orange plastic Kayak and zoomed off, to the green shallows of Young Cove. Just what is it that makes paddling this waterway such pleasure? Sometimes I think it is the Kayak Music. That is the musical sound of the hull traveling through the water on a quiet day. It is constantly changing and it is always calming to me. As I come to the end of the cove I notice that there is no evidence of the shipwreck which had been rusting and disintegrating in the shallows for more than a decade. I don t know who owned the boat or the story, but it is like the couple thousand boats which are abandoned along the 2,000 miles of shoreline in Puget Sound. Somebody s dream had died and the wreck became a persistent reminder of that failure.
