On this plan I received about a dozen lessons, when I found I could read an easy German book; and having about that time occasion to go to Leipsic and other parts of Germany, I took care to lodge at German houses, and thus acquired a tolerable facility in speaking and reading the language. - This is the origin of the Hamiltonian System: I then thought as little of becoming a teacher as I do now of flying; but I was amateur of languages enough to appreciate my obligations to General D Angeli, and think it but justice to record them here. I then recollected something of the same kind at the school of two ancient Jesuits, Messrs. Beatty and Mulhall, men of great talents and learning, who, on the dissolution of their order by Ganganelli, had established a school in Dublin, at which I remained four years. It was the custom of one of these gentlemen to translate, for the higher classes, twenty or twenty-five lines of Horace or Virgil everyday, in the same manner that General D Angeli translated the German, except that he did not parse (it was unnecessary for boys who had for many years studied the Latin grammar); but while I took lessons in German, and...
