Structured around the objectives of the "Visual Communication using Adobe Photoshop" exam at the Adobe Certified Associate level, the product teaches you not only the fundamentals of Photoshop, but also how to use the program to create effective forms of digital communication. You'll get an incredible 19 hours of video, presented by experienced instructors, as well as lesson files, assessment quizzes and review materials. The DVD is bundled with a printed booklet that provides a topic-by-topic guide to the video. The video is wrapped in a unique interface that allows the viewer to jump to any topic, and to bookmark individual topics for later review. Project files used in the lessons are included on the disk so the students can practice what they've learned, and review questions help to reinforce freshly gained knowledge. The video presents basic principles of graphic design, including copyright, file formats, project planning, and file importing and exporting. 93...
