Not illustrated. 1897 Excerpt: .--rather than for a book which, when perfect, could not have found room enough within it, as is demonstrable by measurements1. After the criticism to which the current theory as to the origin of the manuscript has been submitted by the learned Doctor, it would hardly be safe to uphold any longer its superiority in point of age on account of its connexion with the alleged Patrician silver shrine. On the other hand, the difficulty is experienced of pronouncing decisively on the age of the manuscript from the nature of its text and writing. The version of the Gospels, as far as that can be made out, is, like the text we usually meet with in the copies of the Holy Writ made by Irish scribes, traceable to the Vulgate, but with occasional readings from pre-Hieronymian versions2. The writing, in a regularly shaped semi-uncial of...

Reviews

Completely essential read pdf. It is definitely simplistic but shocks within the 50 % of your book. Its been designed in an exceptionally straightforward way which is simply following i finished reading through this publication in which actually changed me, change the way i believe.

-- ***Damon Friesen***

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
