AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The story of Thugg begins atop Mt. Kilimanjaro, Tanzania, where his perfectly preserved frozen body is discovered after 12,000 years in the ice. The ancient African is transported to the prestigious Yancey University in Massachusetts for study, where the head of the Bio-engineering department announces that it is possible to restore him to life utilizing the emerging new science of microrobotics called nanotechnology. Setting this mind-boggling enterprise into motion, it is quickly realized by the university staff that the Kilimanjaroan is unprepared to cope with the shocking circumstances of his resurrection and the realities he faces in 21st Century. Thugg is deeply distrustful of white people, having never seen one in his original lifetime, and thus is paired with the head of YU s Psychology Department, a brilliant African American named Dr. Quantez Phillips, and his best friend and colleague, Dr. Ruthenia Haynes, head of the Language Department. Together they set out to prove that they can teach this caveman to become a thinking and productive member of modern-day society. They succeed beyond their wildest imaginations. As Thugg s language skills become increasingly sophisticated, he reveals that he was born a barbarian and ruled as the king of a vast, now extinct African empire. His saga intrigues and inspires all of humanity, especially African Americans, who hold him up as proof that blacks can achieve any goal they set their minds upon. Thugg becomes a global celebrity-a cross between Dr. Martin Luther King and Tupac Shakur. As he becomes increasingly cognizant of the dire plight of the black race, he invokes his royal roots and uses his status to speak out for revolution-acall that has the potential to...
