Brand New Book ***** Print on Demand *****.The federal health center program, authorized in Section 330 of the Public Health Service Act, awards grants to support health centers: outpatient primary care facilities that provide care to primarily low-income individuals. The program-administered by the Health Resources and Services Administration (HRSA) within the Department of Health and Human Services (HHS)-supports four types of health centers: (1) community health centers; (2) health centers for the homeless; (3) health centers for residents of public housing; and (4) migrant health centers. According to HRSA data, there are over 8,633 unique health center sites (i.e., unique health center facility locations). Facilities must meet a number of requirements to receive a Section 330 grant, but receiving these grants enables health centers to receive services or in-kind benefits from a number of federal programs. Appropriations for the health center program have increased over the past decade, resulting in more centers and more patients served. From FY2000 through FY2012 the health center program s appropriation increased by 48 . Over this same time period, the number of health center sites increased by 59 . The program also received supplemental appropriations through the American Recovery and Reinvestment Act (P.L. 111-5) in FY2009. The program s expansion may continue under the Patient Protection and Affordable Care Act of 2010 (P.L. 111-148, ACA), which permanently authorized the health center program and created the Community Health Center Fund (CHCF) that included a total of $9.5 billion for health center operations to be appropriated in FY2011 through FY2015. However, it is not clear whether these funds will be used to expand the health center program because in FY2011, FY2012, and the FY2013 President s Budget request, these funds were...
