Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about spiritual tantric love. It is not a tantric sex how-to-do-it manual, though it does show new ideas and ways to experience the love relationship and the love ritual. This book does not contain any sexual images, though it does contain tantric metaphor and figurative language. This book is more about unique kinds of experience - different perspectives, attitudes, and ways of being in the love ritual. It is about different ways of loving and different kinds of lovers. Moreover, it s about understanding oneself and the other. The emphasis is mostly on increasing one s understanding of the spiritual powers and energies potentially involved in the love-sex experience, and also having an attitude of spontaneity and exploration, so that we are always in wonder and discovery in the magic of love. Yet any real learning about this whole subject, as well as any increase of one s love powers, will have to come from personal experience - from exploration and discovery. So all that this teaching can provide are ideas and suggestions to explore. This book is primarily about the powers and qualities of Goddesses - in relation to sexual love and the love ritual. Our main focus here is on four love Goddesses, their unique powers and qualities, as well as their unique attitudes and approaches in the love-sex relationship, as manifested through a woman. These goddesses can also be understood as love archetypes; each with a distinctly unique power and quality, attitude and approach. Each woman will recognize at least one of these goddesses in her self-experience, perhaps even a few, or maybe all four goddesses in varying degrees....
