Trafford Publishing, Canada, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A saga in its own right which may be considered a violent sequel to The Cairo Connection, by the same author. It starts with the shocking assassination of U.S President John F. Kennedy on 22 November, 1963 in Dallas, Texas. This infamous crime is narrated by the miscreant who claims to have fired the final shot which struck JFK in the head and includes the planning and execution of this terrible deed together with the names of the planners and gunmen involved. The mafia cartel which supplied the men who pulled the triggers then moved on to Montreal, Quebec. They were already supplying the United States with large shipments of drugs via New Brunswick, Canada but decided to supplement their successful European organization by landing their illicit cargos at Montreal and using the local mafia to transfer the goods to New York. After taking control of the drug trade through Montreal by craft and murder the gang checked out British Columbia and organized the Hells Angels Bikers to export home grown marijuana south to the State of Washington and import even more hard drugs to Canada by helicopter. Simultaneously the cartel s home base in Sicily was being threatened by the brutal Corleone mafia family. This was temporarily settled by a bloody fire fight which eliminated the leading Corleone mobsters. Other leaders took their place and soon resumed their threatening attitude. A world wide money laundering scheme allows this lucrative criminal enterprise to thrive on terror and the gun.
