The Cannabible (Paperback)

Filesize: 2.79 MB

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

THE CANNABIBLE (PAPERBACK)

DOWNLOAD PDF

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. 254 x 251 mm. Language: English . Brand New Book. Astounded by the lack of books dedicated to the wondrous variety of his favorite plant, author Jason King set out on a four-year mission to document the world s finest cannabis. Traveling around North America, Hawaii, and Europe, he captured over 1,500 strains on film (benevolently sampling a good number as well). Here in THE CANNABIBLE, images of the best 200 varieties are included alongside engaging and informative descriptions of their aromas, flavors, effects, and origins. Study this holy writ and figure out whether Purple Haze, Magic Kush, and the quot;Pquot; is da kine or da shwag; learn which strains will give you the munchies or the wobbles; discover how appropriately named are Doc Kevorkian, Black Widow, and Cat Piss; and find out which strains are good for productivity, creativity, or just sitting on the couch, staring into space. With over 400 mind-blowing, full-color photographs of the world s most beautiful nugs, this book will have you on the floor, bowing to the mighty bud-dha. A chapter contributed by one of the world s most studious pot smokers, Rob Clarke, provides an in-depth explanation of the history of marijuana breeding. A unique reference guide, the first of its kind.
