The Puranas: In the Light of Modern Science

By K.Narayanaswami Aiyar

Indigo Books. Paperback. Book Condition: new. BRAND NEW, The Puranas: In the Light of Modern Science, K.Narayanaswami Aiyar, "Through (or in the light of) the Itihasas and Puranas, the Vedas have to be explained." It is to this book that can be attributed the distinction of singularly and most compellingly proving the scientific basis of the Puranas, probably the most condemned of the Smuais, as they seem to contain a lot of apparently absurd and even indecent stories. Some, who take their stand on the Puranas, reject those that they can not interpret reasonably; while there are others who swallow them wholesale, without offering or finding explanations for those parts that seem not to be reasonable. The author advocates avoiding both extremes. The author rightly argues that the Smuais were ment as texts for the study of the less sophisticated in the advancement of understanding of the Hindu religious literature comprising of the Suuais (the Vedas), Smuais (the Puranas), the Itihasas (two epics of Mahabharata and the Ramayana) not counting the Upapuranas, Shat-Darsanas, and Upavedas.The Puranas are full of teachings presented as abstract stories and they are brought home by there acceptance as such and right and meaningful interpretation.
