John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Dream of Europa: The Triumph of Peace, Nicholas Hagger, In The Dream of Europa, following the tradition of celebratory court masques in verse by Ben Jonson and more recently William Empson, Nicholas Hagger celebrates the court of the leaders of the European Union. Through a chorus of 50 representatives of European states he presents the growth and expansion of what became the EU in an epic sweep that takes us from 1945 to 2015 and incorporates the five elements (prologue, antimasque, masque, revels, epilogue) and blend of mythology and history found in all masques. As a court entertainment for European leaders celebrating Europe's progress from disorder to order, The Dream of Europa cries out to be performed in Brussels. It heralds the triumph of peace during the 70 years following 1945 and calls for a strengthening of European unity in the face of an expanding Russia that still regards Eastern Europe as being within its sphere of influence. This masque and its informative appendix on European states and rights will appeal to all generations in the 50 European states and to all beyond who value a...
