No binding. Book Condition: New. The study of Sanskrit grammar is widely recognized as one of India?s great intellectual traditions. The most famous school of grammar was the one based on P??ini?s A???dhy?y?, a work dating from perhaps the fifth or fourth century BC and consisting of approximately four thousand short rules arranged in eight books. Over two millennia scholars produced a huge literature of commentaries to explain how these rules work. The work was attributed to N?ge?abha??a, but the question of authorship was never investigated. The present book is the first published edition of the text, and is based on nineteen manuscripts. These preserve widely differing versions that may possibly reflect the author?s own revisions. In the Introduction, the...
