Sustainability: A History (Paperback)

By Jeremy L. Caradonna

Oxford University Press Inc, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. The word is nearly ubiquitous: at the grocery store we shop for sustainable foods that were produced from sustainable agriculture ; groups ranging from small advocacy organizations to city and state governments to the United Nations tout sustainable development as a strategy for local and global stability; and woe betide the city-dweller who doesn t aim for a sustainable lifestyle. Seeming to have come out of nowhere to dominate the discussion-from permaculture to renewable energy to the local food movement-the ideas that underlie and define sustainability can be traced back several centuries. In this illuminating and fascinating primer, Jeremy L. Caradonna does just that, approaching sustainability from a historical perspective and revealing the conditions that gave it shape. Locating the underpinnings of the movement as far back as the 1660s, Caradonna considers the origins of sustainability across many fields throughout Europe and North America. Taking us from the emergence of thoughts guiding sustainable yield forestry in the late 17th and 18th centuries, through the challenges of the Industrial Revolution, the birth of the environmental movement, and the emergence of...
